Sir:

Applicant hereby requests to extend the period for filing a reply in the above identified application pursuant to 37 CFR 1.136(a). A Final Office Action in the above identified application was mailed May 20, 2004. A response to the Final Office Action was submitted July 20, 2004, and an Advisory Action was mailed October 5, 2004. Because Applicant's response was filed within two months of the mailing of the Final Office Action, but the Advisory Action was not mailed until after the end of the three-month shortened statutory period, then the extension fee should be calculated from the mailing date of the Advisory Action rather than the mailing date of the Final Office Action. Accordingly, Applicant
